Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Elsevier Health Sciences, United Kingdom, 2014. Paperback. Condition: New. 12th Revised edition. Language: English. Brand new Book. Ross and Wilson has been the number one choice for over a million students since it first published, over 50 years ago. One of the world's most popular textbooks of anatomy and physiology, it introduces the structure and functions of the human body and the effects of disease or illness on normal body function. More than any other text Ross and Wilson uses easy-to-understand, straightforward language, enhanced by colour illustrations and a huge range of interactive online activities, to make learning more visual and engaging. Ross and Wilson is essential reading for anyone embarking on a career as a healthcare professional, especially in the nursing and allied health professions, complementary / alternative medicine or as paramedics and ambulance technicians. "There are new sections on the implications of normal ageing on the structure and function of the body systems. The glossary has been expanded, as have the online access, learning outcomes and normal values tables. This book is excellent value for money."
