Natural Health Consulting Corporation, United States, 2007. Paperback. Condition: New. Language: English. Brand new Book. This book has been replaced in 2016 by the new edition: Inflammation Mastery, 4th Edition ISBN: 0990620484; 978-0990620488 (1,180 pages in color, providing more than 20 hours of video access). Integrative Rheumatology empowers students and doctors with the insight necessary for the design and implementation of truly integrative treatment plans for conditions such as systemic lupus erythematosus, rheumatoid arthritis, ankylosing spondylitis, psoriasis and psoriatic arthritis. Diagnostic, therapeutic, risk reduction and patient management strategies are emphasized throughout. Students in chiropractic and naturopathic medical colleges will find Integrative Rheumatology to provide a needed blend of concepts as well as the practical how to information on patient management that is often neglected in other textbooks or which can only be obtained after years of clinical experience. This book will help you synthesize your courses in physical examination, manipulation, physiotherapy, nutrition, botanical medicine, neurology and therapeutic exercise into a cohesive set of skills that enables you to effectively help your patients overcome their musculoskeletal problems while you simultaneously promote wellness by looking at the bigger picture of their overall health rather than simply focusing on the problem. Integrative Rheumatology provides the information...
